TeamBoard Presentation Boards

Not all whiteboards are created equal! Only our proprietary EVS surface meets the performance requirements of a professional-grade dry erase whiteboard as well as being a high quality projection-capable surface.

Guaranteed-to-clean, even if accidentally marked with permanent marker, TeamBoard Presentation Boards are intended for daily use dry-erase. The low-gloss surface reduces room glare and provides a projection-ready surface. Finally, EVS provides a stylus-friendly, direct-touch friendly tactile surface, ideal for use with interactive projectors. With a robust construction, a contemporary industrial design, and backed by the Egan warranty, TeamBoard Presentation Boards are the ideal visual communication tool. Ships complete with a set of dry-erase markers Egan Microfiber cloth, pen tray, and mounting bracket.

Features		Benefits
Hardware	✓ Aspect Ratio	> 4:3 and 16:10 active Projected Image Area (white space) formats available.
	✓ Egan Versa Presentation Surface (EVS)	> An Egan TeamBoard exclusive, EVS is an enhanced presentation surface. Guaranteed-to-clean dry erase for daily use, and a low-gloss, 160° viewing angle projection surface. Stylus-friendly surface.
	✓ High Quality Egan Board foundation	> Steel-backed, recycled aluminum core frame with recycled honeycomb core construction provides excellent dimensional stability for even the toughest environments. The lightest, strongest, most environmentally friendly TeamBoard Presentation board ever. The extruded recycled aluminum external frame also means high aesthetic appeal and robust functionality in almost any environment.
	✓ Color	> Clear anodized aluminum frame.

Design Intent

TeamBoard Presentation Board is designed to provide demanding professionals with a high quality dry erase environment that also performs as a low-glare projection surface, with a smooth tactile finish suitable for both stylus and direct touch.
